
# god , god, god, O my gods, i am yours

god god gods | god god gods | i am yours
deliver me from evil
rid me of the world's temptations and folly
bring me peace
bring me tru. luvs.
bring me light, bring me light!
bring me good hope,
come , now my divine
come now with me, oh god of gods
come go within, come here goddess of venus
abraxas, see me, now.
abraxas, die with thou — now.

rn. im asking, im commanding my destiny:
my intent
who is as devout & severe as this?
my vision cuts and wanes.
my heart pumps and shivers
they don't know me
do u? gods. - do you?
do you even want me?
do i need u?
do u need me?
come forth, O lords; i am yours, now and forever.
